## WHY are Scribblemaps IMPORTANT?

Google EARTH doesn't allow RTF editing of map links, which are critical to students creating high quality educational content and tours

Thanks to Joe Wood (joewoodonline.com) and Jim McDougald (one of my school board members) for these ideas!

Scribblemaps.com

Book citation form

Step 1: Choose a source Step 2: Fill out fields Step 3: Finish or add a new source

EnglishExercises.org

Uses an embedded YouTube vid for scaffolding

Why aren't my textbooks this cool?

EnglishExercises.org

Exercise one  
 "You're impossibly \_\_\_\_\_ and \_\_\_\_\_."  
 Your skin is \_\_\_\_\_ white and \_\_\_\_\_ cold.  
 Your eyes \_\_\_\_\_ colour.  
 And sometimes you speak like you're from a \_\_\_\_\_ time.  
 You never \_\_\_\_\_ or drink anything. And you don't go out in the \_\_\_\_\_.  
 How \_\_\_\_\_ are you?" - "17" - "How long \_\_\_\_\_?" "seventeen?"  
 "A while" - "\_\_\_\_\_ what you are."  
 "Hi! Out \_\_\_\_\_!"  
 "Vampire." - "Are you \_\_\_\_\_?" - "NO!"  
 "Then ask me the most \_\_\_\_\_ question. What do we \_\_\_\_\_?"  
 "You work \_\_\_\_\_ time."

Play on the **Wii**

Practice made fun

Multiplayer Games!

Multiplayer Setup  
 2 Player 4 Player 8 Player

Game Play  
 Press the button to start the game. The game will start when you press the button.

World Class  
 World Class Subtraction is a multi-player math game for subtraction. How quickly the student correctly answers the subtraction problem determines how quickly the jet will go.

Grand Prix Multiplication  
 Grand Prix Multiplication is a multi-player math game for multiplication. Students race against each other to capture the Multiplication Cup!

Fun Frog  
 Fun Frog is a multi-player matching game that involves practice in antonyms, synonyms, and homophones.

penguinPOP  
 Penguin POP is a multi-player game for practicing letter and word recognition. The target word appears under the penguin, with the letters in the form of balloons that float to the penguin.
